

**Delivery Instructions**  
All Articulated Haulers

# INSPECTION PROGRAMME

Machine Model	Serial No.	Owner	Customer no.	page 1(5)
Delivery Inspection carried out on the		Operator (Recipient)		

## Foreword

The Inspection Programme "Delivery Instructions" is to be used for checking the machine with the customer/owner and for presenting the machine to the customer/owner.

All completed Inspection Programmes must be kept on file by the relevant Volvo dealer.

## NOTE!

Read and understand the safety instructions in the Operator's Manual and Service Information for the machine.

Performing, signing and submitting the Delivery Instructions is a pre-condition for a valid machine warranty.		Performed
1	Check together with the owner/operator that the delivered machine corresponds to the order.	<input type="checkbox"/>
