Code	Description	Long Description
11	Grapple operation, High lift operation, Transporting logs, Log handling	Grapple operation, High lift operation, Transporting logs, Log handling - Forestry operation/harvest
12	Blasted rocks, Hard rock quarry, Limestone quarry	Blasted rocks, Hard rock quarry, Limestone quarry - Primary extraction/transport/loading
13	Metal ore, Iron, Copper, Gold, Phosphate, Nickel, Oil sands etc.	Metal ore, Iron, Copper, Gold, Phosphate, Nickel, Oil sands etc. - Primary extraction/transport/loading/mining/etc.
14	Processed coal, Coal mining, Coal handling	Processed coal, Coal mining, Coal handling - Primary extraction/transport/loading/mining/etc.
15	Aggregates, Sand, Gravel	Aggregates, Sand, Gravel - Primary extraction/transport/loading
16	Earth, Soil, Clay, Mud shifting, Slurry	Earth, Soil, Clay, Mud shifting, Slurry - Primary extraction/transport/loading
17	Hydraulic hammer operations	Hydraulic hammer operations, only
18	Heavy object(s) operations	Block handling, Marble, Steel objects, Metal scrap - Heavy object(s) operation
21	Re-handling, Processing Aggregates, Sand, Gravel, stockpiling prepared material,	Processing aggregates, Sand, Gravel - Re-handling of prepared material, Sorting, Stockpiling prepared material, Loading transport vehicles
22	Processing low density bulk-material	Processing low density bulk material. e.g. Coal, Wood chips, Fertilizer, Grain, Manure, Sorting, Stockpiling of prepared material, Loading transport vehicles
32	Pallet fork operation, Material handling arm operation	Pallet fork operation, Material handling arm operation
33	Pipe handling large diameter pipes	Pipe handling - Large diameter pipes, Pipelines - Metal, Cement, etc.
41	Grading	Grading - All type of grading with grading equipment/attachments
42	Slope construction, Landscaping, Dike works	Slope Construction, Landscaping, Dike works, Incline work, etc.
43	Compaction - Soil, Asphalt, Aggregates (Compactors only)	Compaction - Soil, Asphalt, Cement treated aggregates, etc. (Compactors only)
45	Pavement finishing (pavers only)	Pavement finishing (pavers only) - Asphalt materials, Cement treated aggregates, Graded aggregates, Sand and Gravel
46	Foundation drilling, Soil stabilizing	Foundation drilling, Soil stabilizing
51	Demolition operations	Demolition operations - Work with special demolition equipment
52	Recycling - General waste and scrap handling	Recycling general waste and scrap handling - Waste grapple, Sanitary landfill, Composting, Glass, Paper, etc.
61	Transport of industrial equipm./ machinery	Transport industrial equipment/machinery e.g. Liquid tank, Machinery/Equipment
62	Transport container	Transport container - Logistic, Port, Factory, Mining, etc.
71	General Service operation (Only to be used in WebMIA, NOT applicable for UCHP)	General Service operation (Only to be used in WebMIA, NOT applicable for UCHP)
81	Snow removal	Snow removal - Plowing, Ice-ripping, Snow blower, Snow blade/bucket
82	Work with hydraulically motor driven attachments excluding hammers	Work with hydraulic motor driven attachments (excluding hammer), Bush cutters, Earth drills, Mowers, Sweepers, Trenchers
83	Special applications	Special applications - Slag handling, OEM machines, Military/Peace service
99	Stock machine	Machine in dealer stock

VOLVO CONSTRUCTION EQUIPMENT
